TAGS AREN’T JUST FOR SOCIAL MEDIA

Tagging your dog or cat on Instagram may get you likes, but tagging them for real may save their life.

If your pet goes missing, a licence is the best way to get them home safely. And with the City’s BluePaw program, a licence also gets you special offers from local businesses.

No one thinks their pet will go missing, but accidents happen. Don’t take the chance. #goodfriendsarehardtofind, so tag yours today.
