

COMMENT FORM

4. The preliminary recommended design concept is based on widening Sandalwood Parkway from 4 to 6 vehicular lanes with a 3.0 metre bi-directional multi-use path on both sides of the road. Do you agree with the preliminary recommended design concept for Sandalwood Parkway?

Yes No

5. Please indicate why or why not in the space provided below.

6. Do you have any questions or comments on other aspects of the study or the preliminary recommended design that you would like to share with the Study Team?

Please submit your written comments* before leaving the meeting or mail / email them in by July 6, 2018
