**Environmental Project Report – March 18, 2021**

The table below identifies the revisions to the Environmental Project Report (March 18, 2021) for the City of Brampton Bus Maintenance & Storage Facility based on comments from the Ministry of Heritage, Sport, Tourism and Culture Industries (MHSTCI) by email on April 21, 2021 following the 30-day review of the Environmental Project Report.

CHANGES MADE TO EPR	WHY CHANGE WAS MADE	SECTION CHANGE WAS MADE
The conditions of the Heritage Permit was added to the Executive Summary.	As per the request of MHSTCI.	Executive Summary – Section ES 4
Exhibit 7-1 was revised and the following text added: Indigenous Communities be engaged early in the detail design process; AA for Stage 1 and 2 are in Appendix C; and “approved” by MHSTCI has been changed to “review”.	As per the request of MHSTCI.	Exhibit 7-1
Exhibit 7-3 was revised and the following changes were made: archaeological “feature” changed to “resources”; “cultural heritage features” changed to “built heritage resources and cultural heritage landscapes”; and Heritage permit application conditions added.	As per the request of MHSTCI.	Exhibit 7-3
Appendix D – CHAR and CHER: Definitions of BHR and CHL from Standards and Guidelines for Conservation of Provincial Heritage Properties removed, and definitions from PPS 2020 inserted in their place. Text inserted acknowledging that while from Standards and Guidelines for Conservation of Provincial Heritage Properties do not directly apply to private properties, they are still mentioned in our policy framework as they represent best practices in the field.	As per the request of MHSTCI.	Appendix D – CHAR and CHER
Appendix D - CHAR and CHER: The 2010 studies have been remove from the Appendices.	Clarification requested by MHSTCI as to why the 2010 studies were included in Appendix D. Upon further review, the City determined these studies do not need to be in Appendix D.	Appendix D – CHAR and CHER
